product name: UVC LED multipurpose sterilization box

Rating: DC 3.7 V, 900 mAh

Power consumption: 0.76 W

Charging type DC 5V, USB C-type

UVC LED wavelength: 260 to 280 nm / UVC LED life: 20,000 hours

Material: ABS, PP, silicon, stainless steel

Product size: 226(W)×120(L)×95(H)mm

Product box size: 242(W)×136(L)×110(H)mm

Carton Size: 500(W)×286(L)×350(H)mm

1 Carton = 12 items

weight: 680g / Carton weight: 12,000g

MOQ : 1,080 EA Unit Price : 25 (USD)

## UVC LED battery-type portable toothbrush sterilizer

99.9% sterilization in 3 minutes.

Available twice a day, 500 days.

AA battery used approximately 1000 times in two batteries

(AA Battery Not Included)

Power Used: AA Battery (2 units)

Material: ABS

UVC LED life: 20,000 hours

Product size : 220×52×26.5mm

Product box size : 222×54×28mm

Carton Size : 460(W)×280(D)×290(H) mm

1 Carton = 100 items

Weight: 106 g (no battery) / Carton weight : 13,080g

MOQ : 3,000 PCS Unit Price : 5.5 (USD)

## UVC LED rechargeable portable toothbrush sterilizer

99.9% sterilization in 3 minutes.

Detachable Toothbrush Head Tray

Can be stored with toothbrush and toothpaste

Used 200 times on a single charge

Charging type: DC5V, USB C-type, charging for about 150 minutes

Battery rating: 3.7 V, 485mAh

Material: ABS

UVC LED life: 20,000 hours

Product size : 220×51×26 mm

Product box size : 222×54×28mm

Carton Size : 460(W)×280(D)×290(H) mm

1 Carton = 100 items

Weight: 125 g / Carton weight : 15,210g

MOQ : 3,000 PCS Unit Price : 6.5 (USD)

## UVC LED rechargeable head-type Portable toothbrush sterilizer

99.9% sterilization in 3 minutes.

Charging type: DC5V, USB 5pin-type, charging for about 150 minutes

Used 80 times on a single charge

Battery rating: 3.7 V, 165mAh

Material: ABS

UVC LED life: 20,000 hours

Product size : 70×51×25mm

Product box size : 71×52×26mm

Carton Size : 320(W)×295(D)×260(H)mm

1 Carton = 160 items

Weight : 45g / Carton weight : 9,690g

MOQ : 7,200 PCS Unit Price : 6.5 (USD)

## UVC-LED Puff Sterilizer

99.9% sterilization in 3 minutes.

Charging type: DC5V, USB 5pin-type, charging for about 180 minutes

Used 200 times on a single charge

Battery rating: 3.7 V, 530mAh

Material: ABS, Acrylic

UVC LED life: 20,000 hours

Product size : 80×81×35.5mm

Product box size :

Carton Size : 390(W)×250(D)×260(H) mm

1 Carton = 90 items

Weight : 77g / Carton weight : 9,020g

MOQ : 3,600 PCS Unit Price : 8 (USD)
